IT specialist currently pursuing a B.S in Computer Science at Southern Illinois University at Edwardsville. I have 7+ years of experience as a records information specialist, administrative assistant, and IT technician. I have immensely enjoyed working with computers my entire life and strongly desire to learn the skills necessary to become a proficient computer programmer.

## PROJECT EXPERIENCE

### Along The Way — Roadtripping Application

- Worked with a group of peers to build a website that allows users to search for points of interest along a route using Google APIs better than the current Google Maps implementation.
- Primarily focused on front end tasks such as our Google API implementation in TypeScript as well as HTML and CSS styling
- Used Angular, Spring Boot, and MongoDB for the project tech stack

## WORK EXPERIENCE

### Office Administrator, Tehandon Landscapes and Trees, Breese, IL, 2019-2023

- Performed administrative assistant and office manager duties, as well as fixed and maintained all technology related business issues
- Handled phone calls and solved customer service issues
- Planned work schedules, remedied equipment problems, processed payroll using an automated Excel document I created to save the business time, learned specialized software used for landscape design

### Hoffman Exterior Cleaning, 2016-2019

- Worked both by myself and with a team to perform various commercial/residential exterior cleaning jobs
- Pressure washed buildings, cleaned gutters, concrete, windows, solar panels, fences
- Maintained truck, trailer, and all company equipment

### Administrative Assistant, McKay's Hazmat, Centralia, IL, 2011-2016

- Helped run the day-to-day operations of a hazmat transportation and records storage facility, fixed and maintained all technology related business issues, primarily general IT issues
- Performed administrative assistant duties and interacted with businesses to retrieve, transport, and destroy confidential records using specialized record keeping software
- Picked up and delivered hazmat materials
